ARUBA BUSINESS CENTER CONFERENCE ROOMS

The in 2007 new constructed Aruba Business Center offers its customers three modern meeting rooms and a conference room for every kind of meetings and events. Upon request, our competent team will happily run the whole organisation, coordination and handling of your event as well as catering and conference service in each conference room.

Our international-acting clients choose Aruba Business Center due to the advantages of its easy access to the airport, the good public transport connections and the pleasurable ambience of our location.
